Take **5** for **€895,000**

This period property at 70 Lower Kimmage Road in Dublin's Harold's Cross extends to 181sqm (1,952sq ft). The house is in excellent order and stands on a corner site. Price €895,000. Agent dng.ie

Hong Kong Sai ying Pun

Hong Kong has the most expensive property per sqm in the world and this one-bedroom apartment, set in a 25-storey residential tower, extends to just 25sqm (269sq ft). Built in 2020, communal facilities include a clubhouse and swimming pool, and the property is located five minutes' walk from HKU MTR station. Price 8,800,000 Hong Kong dollars (€933,839). Agent knightfrank.com

France Villeneuve-Sur-Lot

This fully restored stone house has eight bedrooms, a swimming pool, spa and tennis court. In addition, the property comes with a one-bedroom separate apartment so could well generate a rental income. The

interiors are simply wonderful, with exposed beams and period details. It also has a 40sqm outbuilding converted to a disco bar should you need one. Price €899,000. Agent savills.com

Spain Costa Blanca South

Located in the heart of Las Colinas Golf and Country Club in Olivo, this modern property, constructed in 2017, has 261sqm of living space with parking in the basement. Decor is a lovely mixture of wood and glass with bright contemporary interiors.

There are many terraces and a swimming pool on the generous site planted with live trees and palms. The club is set in a 330-acre valley with an 18-hole championship golf course. Price €899,000. Agent boligspania.no

Italy Piedmont

This 13-bedroom property is divided into three units and is located on the outskirts of the province of Asti, which is home to many vineyards and is noted for its aromatic Malvasia wine. Set in a medieval village of just 150 residents, the property

dates from the 19th century and was renovated between 2007 and 2011. The gardens are magical, as is its location, making this an ideal rural retreat. Price €900,000. Agent engelvoelkers.com
